What family benefits does Social Security Scotland deliver?

Family costs soon pile up. Toys, food, first shoes, second shoes, plus every day bills. It's a tricky balance. That's why Social Security Scotland has five family payments.

Scottish Child Payment

A payment providing £80 every four weeks for each eligible child under the age of 6.

Best Start Grant Pregnancy and Baby Payment

A £642.35 payment for a first child and £321.20 for other children. Plus an extra £321.20 if you have a multiple birth. You can apply from 24 weeks of pregnancy until your baby is 6 months old.

Best Start Grant Early Learning Payment

A £267.65 payment when a child is between the ages of 2 and 3.5 years. You can still apply if your child is not taking up a place at nursery.

Best Start Grant School Age Payment

A £267.65 payment to help eligible families with the costs of starting school.

Best Start Foods

Money every four weeks on a pre-paid chip and pin Mastercard.

Who can get these payments?

People can apply for these payments whether in work or not. People may be eligible if they, or their partner, are the parent or full-time carer of a child and if they get tax credits or certain benefits.
